RAILROAD MISHAPS. Vexatious Accidents and Delays on Central Vermont on Friday.

Friday was a hoodoo for keeps for bouts. Things began to break bad early in the morning when southbours freight No. 919, composed of an engine and eighteen or twenty empties, jumped the track at Mansfield Depot at 1.59 o'clock. This blocked traffic both north and south for a number of hours and the trains were running use hours and the trains were running rag time all through the day. The freight cars were strewn all along the em-bankment at the side of the rails near Mansfield Depot and were in many in-stances pretty well smashed up. A wrecker from New London cleared things up as far as possible. No cause for the wreck is assigned.

The 10.50 northbound passenger got by the wreck but the 11.18, after com-ing through all right eatile from being
